I can send you the data for both. I figured you'd want them both since they're both Heroin. I'm not sure if the evidence office is open tomorrow during the holiday so it may take me a couple days to get the rest of the info. The drug certs go back to the PD with the drugs so you'd have to contact them for a copy of that. Otherwise, let me know if you have any other questions.

Dan-

If you could send the info on both of the lab numbers listed that would be great. Is it possible for you to send me a copy of the drug cert associated with the other lab number also?

Thanks very much for the help.

Hi Steve. I was pulling the data for this case and I noticed that there is another lab number on the same drug receipt as the number you requested. Would you like the data for both of the numbers or just the one you requested? Thanks.
